# Specification Abstraction

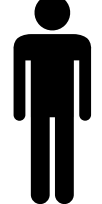

**Where there's a will, there's a way.**

Vouloir, c'est pouvoir.

Wo ein Wille ist, ist auch ein Weg.

Было бы желание, а способ найдётся.

# Common Abstractions

 Party	Abstractions used
IETF (NAT, Firewall)	flow table, protocol header
IEEE (bridge)	MAC table, ACL
In-house design (Maglev)	connection table, backend list
Developers	hash table, vector, C-structs
