Specification Abstraction

Where there's a will, there's a way.

Vouloir, c'est pouvoir.

Wo ein Wille ist, ist ein Weg.

Ere-whay ere's-thay a-yay ill-way, ere's-thay a-yay ay-way.

Common Abstractions

🚹 Party	Abstractions used
IETF (NAT, Firewall)	Flow tables
IEEE (bridge)	MAC table
In-house design (Maglev)	Connection table
Developers	Data structs
